

IP4-X-700 INDUCTION COOKER

INDUC FOUR-HEAD INDUCTION COOKER

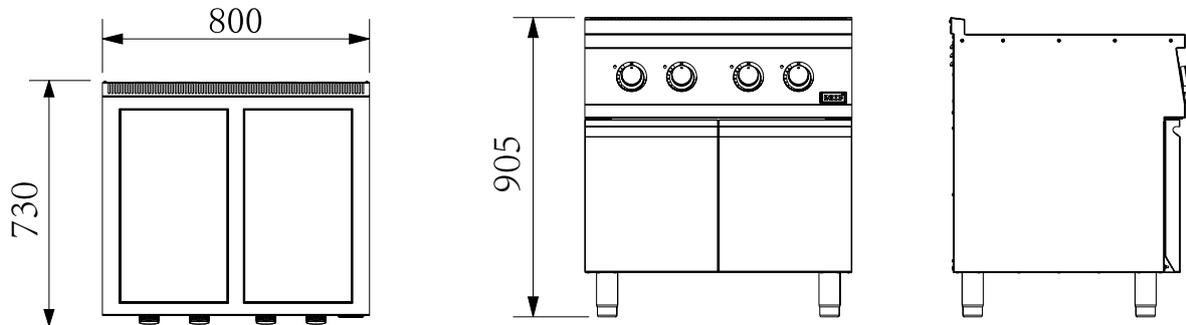

The INDUC four-head induction cooker combines high performance with energy efficiency and safety. Each 3.5 kW zone provides rapid, even heating with up to 90% thermal efficiency for frying, boiling, or stewing. Constructed from stainless steel with SCHOTT glass panels, it offers durability, easy cleaning and resistance to heat and moisture. Equipped with six cooling fans and overheat protection, it ensures reliable operation and long service life. Supplied on a closed cupboard stand with adjustable non-slip feet for stability.
