Manual Gravity Feed Slicers Medium Duty

Manual Carriage Operation | Belt Driven | 220 mm, 250 mm & 300 mm Blade Diameter Options

This series is designed for smaller shops, deli's, cafés and restaurants with shorter runs and will slice a variety of product with ease and offer many years of dependable service.

Featuring a compact one-piece anodized aluminium body and built in sharpening head and blade ring-guard. The slicer disassembles quickly without the need of tools for easy cleaning.

NS250
